Experience

Intern - Telecom Center of Toazer

Toazer Telecom - Toazer

Learned about the distribution of the internet, problem-solving related to power and emergency power, and gained insights into the servers they use.

Intern - Wimobi Company

Wimobi Company - City, Start Date - End Date

Successfully completed a stage involving the development of a mobile application named "PanicAlert." Describe your role, contributions, and any notable achievements related to the project.

Self-Learning and Projects

Video Editing

Self-taught video editing skills using Camtasia, CapCut, and occasionally PowerPoint. Created learning videos on topics such as Dropbox, gaming videos, and short films.

Demonstrated proficiency in storytelling and content creation.

Game Development (Unity)

Explored game development using the Unity engine. Worked on various projects to gain hands-on experience. While not an expert, developed a foundational understanding of game development principles and Unity workflows.
